

CERTIFICATE

DIN EN ISO 9001:2008

hereby certifies that the company

BADER GmbH Industrie-Elektronik

Business field:

Development, production, assembly and distribution of electronic systems for motor vehicle technology and industrial automation

Location:

Siemensstraße 21 * D-71691 Freiberg

has successfully implemented a quality management system according to the above mentioned standard (11/08) and applies it effectively. Evidence of conformity was found during the certification audit and documented in audit report No. A09091146. This certificate is only valid in connection with the successful performance of the surveillance audits. The quality management system also fulfils the requirements of the international and German road traffic laws relating to the approval object groups:

22 – electrical sub-assemblies
